Except for this provision, access to student files is limited to those employees who have a legitimate reason for access and to outside agencies or individuals who have a legal right to access. Requests for examining files must be made through the School Director. No information will be released to third parties, except those with a legal right to access, without written permission from the student. The parents' right to access their children's files transfers to the student when he or she reaches the age of 18 or attends a post-secondary education.

CLASS SIZE

Classes are small, with a maximum size of twenty students per instructor.

SATISFACTORY ACADEMIC PROGRESS POLICY & ATTENDANCE REQUIREMENTS

Diversified Language Institute's programs are divided into two semesters of fifteen weeks each for full time students or twenty weeks each for three-quarter time students. The programs are measured in credit hours with 12 credit hours earned in each semester. All students are evaluated for Satisfactory Academic Progress at the end of each semester.

Quantitative progress is a measure of the number of credit hours completed with a minimum grade of 70%. Student must complete twelve credit hours with a minimum passing grade before moving on to the second semester.

Minimum time frame: Students must also complete their program in no more than 1.5 times the stated number of hours/credits. To meet this requirement, students must have completed at least 1/3 of the total program by the end of their first semester. Failure to meet this requirement will result in termination. For those on financial aid, a second disbursement is not made until the student has earned 12 credits within the time allowed

Attendance: Students must also have regular attendance to make satisfactory progress. Attendance is reviewed monthly. A student will be cautioned if more than 10 absences are reported during the first half and receive a financial aid warning if more than 15 absences are reported during the first half, or if attendance falls below 80% during the second half. A student will be deemed a withdrawal after missing 14 consecutive calendar days.

Qualitative progress is a measure of the student's grade point average. The minimum GPA is 70%. Students who fall below this requirement will be placed on

Academic Probation status and will receive appropriate counseling for a period of one month. If the student fails to raise the GPA to at least 70% the student will no longer be eligible for financial aid and may be dismissed. The student's GPA is determined by weekly tests. If a student misses a test, the student will receive a '0' for that week. If a make up test is taken, the grade received will replace the '0'. DLI does not use grades of 'I' for incomplete or 'W' for withdrawal.

Appeal Process: A student who is dismissed for failure to make satisfactory progress may appeal the dismissal

by addressing the appeal in writing to the Director. The appeal should contain any special circumstances which may have contributed to the lack of progress and an explanation of how the student plans to deal with those circumstances if re-admitted. The Director will review the appeal with the financial aid officer and an officer of Diversified Education Company within ten days and notify the student of the results in writing.

Transfer Students: Students transferring from another institution in the ESL program will be tested to determine their placement in the program. GPA earned at another institution will not be used when calculating progress at this institution. Transfer students may not be eligible for financial aid if they do not enroll for a full program.

Students who are re-admitted after withdrawing must still complete the program within 150% of the stated time for the overall program.

TARDINESS

Students who are 10 to 30 minutes late for a class are reported as tardy. Three times tardy will be counted as one absence. Students who miss 31 minutes or more of a class session are counted absent for that session.

LEAVE OF ABSENCE (TITLE IV and VETERANS)

Although we do not recommend that a student interrupt his or her training, we do permit students to take a Leave of Absence for specific reasons. You may take more than one LOA not to exceed a total of 75 days in the Morning Session, or 100 days in the Evening Session. You must request the LOA in writing before you begin your leave. You must give a valid reason for the leave and sign your request.

Upon your return from an LOA you will be placed in a class that will allow you to make up the work that you missed.

If a Leave of Absence total exceeds 75 (AM) or 100 (EVE) days you will be terminated. This termination does not bar you from returning at a later date but you may be required to recycle a part of your course when you return. Keep in mind that our regulatory agencies require that a course of study be completed in no more than 150% of the originally scheduled length of time.

LEAVE OF ABSENCE (INTERNATIONAL STUDENTS)

International, non-immigrant students may take up to two weeks of leave after continuous attendance of three months.

MAKE UP WORK

Because our classes require class participation, missed classes cannot be made up. Missed tests may be made up within one week.

RIGHT TO APPEAL FROM TERMINATION

A termination for failure to meet the requirements of satisfactory progress may be made. Follow the procedure described under 'Complaint Procedures' elsewhere in this catalog.

CONDUCT

Students are expected to conduct themselves in a manner conducive to learning. Students who engage in disruptive behavior will receive one warning from the Director. A repeat offense will be grounds for dismissal.

Students who engage in behavior judged to be dangerous or life-threatening will be dismissed immediately.

Any student who has been dismissed because of conduct may appeal his dismissal, in writing, to the school's owner. The appeal should be addressed to the school at the address on the cover.

GRADING POLICY

The following grading policy is in effect:

90-100%	=	Excellent
85-89%	=	Very Good
80-84%	=	Good
70-79%	=	Average

Below 70% is considered Failing.

COURSE LENGTH; OUTSIDE PREPARATION

The English as a Second Language (ESL) and the Business Office Administration programs are 30 weeks in length, 24 Clock Hours per week for a total of 720 clock hours worth 24 Semester Units. Semester Units are computed as 1 Unit equal to 30 clock hours. Students in the ESL Program receive six (6) Semester Units for each full level completed. Students who complete only a portion of a Level are awarded a fraction of the six Units in proportion to the amount of time attended. A grade point average (GPA) of at least 70% is required to earn Semester Units of credit.

Students may also enroll for half or three-quarter time. Half time will take the student 60 weeks to complete; three quarter time will take 40 weeks.

To maintain satisfactory academic progress, students enrolled in all programs generally spend at least 360 clock hours of preparation outside of class. This preparation is in the form of homework assigned in class by the teacher. The assigned homework is in the form of reading and study assigned in preparation for weekly tests. Writing assignments are from the workbooks and/or materials from our Teacher Resource Center.

RECORDS RETENTION

The institution maintains current records for a period of not less than five years at its principal place of business within the State of California. Grade and attendance records are retained indefinitely.

COURSES AND OBJECTIVES

Diversified Language Institute's ESL program is divided into nine Levels - Beginning through Advanced. Students are placed in the Level best suited to their present English skills based on entrance test results and personal interviews. In this way, students progress at their fastest pace. The Business Office Administration program is comprised of three main modules: Front and Back Office Operations, Computer Applications and Business English, and Bookkeeping.

NON-DIPLOMA STUDENTS

The full ESL Course leads to a proficiency in English suitable for employment. However, DLI recognizes that not all individuals wish or need to obtain that degree of proficiency. For foreign visitors or individuals who wish to study ESL for personal enrichment we offer portions of the full course in one-month segments. Such students will be placed in the program at the same level they would enter if they were full-course students. Additional segments may be added, as desired. Those who eventually take the full program in individual segments, and who meet the proficiency requirements of the full course may be eligible for a certificate of completion.

INTERNATIONAL STUDENTS

This school is authorized under federal law to enroll non-immigrant alien students.

ALCOHOL AND DRUGS

We are deeply concerned about the dangers associated with drug and alcohol abuse.

As an institution of learning our principle role is to encourage an education which leads toward high standards and respectful conduct in our students. While we seek to educate and encourage, we also have a responsibility to restrict any behavior that adversely affects members of this campus. We feel we have a compelling obligation to eliminate drugs and alcohol from our campuses.

Each student is made aware of the Diversified Education Company Program Handbook on Drug Free Campuses which describes the drug free program in detail including pointing out the hazards of various drugs and listing community sources that the student may contact for help.

SETTLEMENT OF OTHER CHARGES

If a student withdraws from DLI, DLI will settle reasonably any other DLI charges that the student may have incurred.

PROFICIENCY REQUIREMENT

Upon completion of the ESL course, a proficiency test will be given. Students who complete the 30 week course but who have not achieved satisfactory proficiency may choose to take additional instruction without charge until the student has attained the required

proficiency, or to receive a full refund of the total charges for ESL instruction. However, there is no proficiency requirement to graduate, as long as the student completes the program with a GPA of 70% and attendance of 80%.

Business Office Administration students are required to take a weekly test to determine their proficiency in each module.

WITHDRAWING FROM CLASS

You may withdraw from a course by not attending class for fourteen consecutive calendar days or by informing the Records Office or School Director that you wish to withdraw. We prefer that you complete a withdrawal form at the Records Office; however, a signed letter will suffice. When you withdraw, you withdraw from the entire program.

CANCELLATION PROCEDURES

If your application for enrollment is rejected by the school you will receive a full refund of any money paid.

You may cancel your enrollment at any time up to and including the first scheduled class day and receive a full refund of any money paid, including the registration fee. Cancellation may be in any form, but preferably should be in writing.

Should the program for which you enrolled be canceled prior to your starting class a full refund will be made of any money paid.

If you fail to appear for class on the date scheduled for class start you will be classified as a 'no start'. Your enrollment will be cancelled and any money paid will be refunded. Such a cancellation will not prevent you from starting at a later date should you wish to do so. A new enrollment agreement may be necessary.

All refunds due to cancellations will be made within thirty days of the date of cancellation.

After you begin classes, the following refund policy will apply.

NOTE: the examples of refund were required under the former state law. The examples shown no longer apply because they are based on the full year tuition and refunds are now calculated on a semester basis.

REFUND POLICY

If you withdraw from school after the first day of attendance, or are terminated by the school for cause, this

refund policy will apply. The refund policy applies to each semester you attend.

If you withdraw during the first 60% of each semester, as measured in the number of class days from your start date until your last date of recorded attendance, the school will retain an amount equal to the number of clock hours from your start date to your last date of attendance, whether you have been present at all class sessions, or not, divided by the number of days in the semester. For example, if you should withdraw after 40 days the amount retained by the school would be forty divided seventy five (the number of days in the semester) or 53% of total tuition charged. Any amount in excess of that amount would be refunded.

The Registration Fee is not refunded after the first day of class.

Refunds will first be applied to any federal financial aid received in the following order 1) Direct un-sub Federal loan; 2) Direct sub-Federal Loan; 3) Direct Federal Plus Loan; and 4) Pell Grant . After all required sources have been paid, any money left will be returned to the student within 30 days of the date of withdrawal.

If you withdraw after completing 60% of the course, as measured by the number of days from the start of the course until your last date of attendance, no refund will be made. If you do not understand this policy, please discuss it further with your financial aid officer.

If an amount is due the school you will be responsible for paying that amount.

For the purpose of determining the amount you owe for the time you attended, you shall be deemed to have withdrawn from the course when any of the following occurs:

- a. You notify the School of your withdrawal or the actual date of withdrawal.
- b. The school terminates your enrollment.
- c. You fail to attend classes for fourteen calendar days. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be made to the lender or to the agency that guaranteed the loan, if any. Any remaining amounts of refund will first be used to repay any student financial aid programs from which you received benefits. Any remaining amount will be paid to you.

You have the right to withdraw from a course of instruction at any time. If you withdraw from the course of instruction after the period allowed for cancellation of the agreement as stated above, the School will remit a refund less the \$75 **non refundable Registration Fee**, within 30 days of withdrawal. If you take a Leave of Absence and fail to return, refunds will be made within 30 calendar days from the end of the Leave of Absence. You are obliged to pay only for the educational services rendered. No equipment is furnished and there is no equipment charge. The amount of the refund will be determined based on the last date of recorded attendance. The refund shall be the amount you paid for instruction multiplied by a fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the number of hours of instruction for which you have paid. **IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 30 DAYS OF WITHDRAWAL. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.**

Please note that rules issued by the United States Department of Education affect students whose tuition is partially paid by PELL GRANT. A separate refund calculation will be performed and a refund made to the PELL Grant if the student has completed less than 60% of the course. This refund will reduce the amount paid toward tuition and may increase the amount due from the student. If you plan to withdraw, ask your Financial Aid Officer for a computation.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by California residents who were students attending schools approved by, or registered to offer short-term career training with the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident, prepaid tuition, paid the STRF fee, and suffered an economic loss as a result of any of the following:

1) The school closed before the course of instruction was completed; 2) the school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose; 3) the school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law, or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs; 4) the school's breach or anticipatory breach of the agreement for the course of instruction; 5) there was a decline in the quality of the course of instruction within 30 days before the school closed, or if the decline began earlier than 30 days prior to closure, a time period of decline determined by the Bureau; 6) the school committed fraud during the recruitment or enrollment or program participation of the student.

You must pay the State imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you: 1) You are a student, who is a California resident and prepays all or part of your tuition either by cash, guaranteed student loans, or personal loans, and 2) Your total charges are not paid by any third-party payer such as an employer, government program or any other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF fee if either of the following applies: 1) You are not a California resident; or 2) Your total charges are paid by a third party, such as an employer, government program, or other payer, and you have no separate agreement to repay the third party.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

DISCLOSURES

The following information is provided in compliance with various state and federal regulations.

Family Educational Rights and Privacy Act (FERPA)

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond high school level. Students to whom the rights have transferred are "eligible students".

Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student has the right to a formal hearing. After the hearing, if the school still decides not to amend the records, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose these records, without consent, to the following parties or under the following conditions: a) School officials with legitimate educational interest; b) Other schools to which a student is transferring; c) Specified officials for audit or evaluation purposes; d) Appropriate parties in connection with financial aid to a student; e) Organizations conducting certain studies for or on behalf of the school; f) Accrediting organizations; g) to comply with a judicial order or lawfully issued subpoena; h) Appropriate officials in cases of health and safety emergencies; and (i) State and local authorities within a juvenile justice system, pursuant to specific State law. DLI follows the above procedures.

Students may request to review records in person at the DLI Records Office. Giving a 2-4 day advanced notice is desirable to avoid having to wait while files are retrieved from storage.

Diversified Language Institute does not maintain a student directory. Further information, or complaints on adherence to this policy may be obtained by calling (202) 260-3887.

Review of the School's Accreditation, Approval and/or Licensing

Examination of the school's accreditation documents and state approval may be had by making an appointment with the School Director during regular daytime business hours Monday-Friday, except holidays.

Unlawful copying or sharing of copyright material

The downloading or copying of copyright material, including computer programs for personal use or distribution is prohibited both by DLI and by federal law. Persons found to be violating this prohibition are subject to dismissal as well as criminal penalties. A person who violates federal copyright law under Chapter 12 shall be fined not more than \$500,000 or be imprisoned for not more than five years, or both for a first time offense and not more than \$1,000,000 or be imprisoned for not more than 10 years, or both for each subsequent offense.

Vaccinations

Diversified Language Institute does not have a policy requiring vaccinations of any kind. However, we advise students in attendance during fall and winter months to obtain the current flu vaccine.

ARBITRATION AGREEMENT

Any and all disputes, losses, and/or claims arising out of and/or relating to this Agreement including, without limitation, those as to the performance of the parties, the terms of this Agreement, its interpretation, its negotiation, or a party's breach of this Agreement shall be resolved by way of binding arbitration by a single neutral arbitrator by and pursuant to the rules of the American Arbitration Association (or any successor entity thereto) in the City of Los Angeles, County of Los Angeles. In rendering its decision and award, the arbitrator shall follow California law, rules and procedures and shall not modify the provisions of this Enrollment Agreement/Contract. The award entered in such a proceeding shall be fully binding, final and not subject to appeal and may be entered and enforced as a final judgment by any Court of competent jurisdiction. In the event of any arbitration or other proceeding between the parties hereto arising out of or in any manner relating to this Agreement including, without limitation, its negotiation, terms, interpretation, performance and/or breach and in addition to all other recoveries and awards, the prevailing party shall recover from the non-prevailing party any and all reasonable attorneys' fees incurred including those incurred on appeal, in enforcement proceedings and/or in connection with bankruptcy proceedings.

NOTICE: BY INITIALING IN THE SPACE BELOW YOU ARE AGREEING TO HAVE ANY DISPUTE ARISING OUT OF THIS AGREEMENT DECIDED BY NEUTRAL ARBITRATION AS PROVIDED BY CALIFORNIA LAW AND YOU ARE GIVING UP ANY RIGHTS YOU MIGHT POSSESS TO HAVE THE DISPUTE LITIGATED IN A COURT OR JURY TRIAL. YOUR AGREEMENT TO THIS ARBITRATION PROVISION IS VOLUNTARY.

I HAVE READ AND UNDERSTAND THE FOREGOING AND AGREE TO SUBMIT DISPUTES ARISING OUT OF THIS AGREEMENT TO NEUTRAL ARBITRATION. _____ (Initial)
